Music by Matt Jones

## VS 1

**G**                  **C**                  **G**                  **D**  
Hear what glorious song of angels is now ringing through the air;  
                  **G**                  **C**                  **D**                  **G**  
Never valley, never mountain heard an anthem half so fair.

## VS 2

**G**                  **C**                  **G**                  **D**  
Messengers of God's free mercy are now seen by human eye;  
                  **G**                  **C**                  **D**                  **G**  
Shepherds hear the wondrous message: "Glory be to God on high."

## Chorus

**C-G**          **D-G**          **C G D**  
Hallelujah, hallelujah. Is the jubilant refrain;  
                  **C**          **G D-D#dim-Em**                  **C**          **D G**  
God is sending us a Sa-----vior, Peace on earth, good will to men.

Let us also sing the praises  
Of our God so full of love,  
Who on Christmas sent a Savior,  
Sent a Savior from above.

Surely He has borne our sorrows  
Wounded for our sins was He  
Born to die, a perfect servant  
Then to rise again as King
